

Note: If your submission wins, the information you provide in this entry will be used for promotion. You can edit your entry until the deadline, so ensure its accurate.

Step 2: Select the Most Appropriate Category for Your Entry

Step 3: Entry Information

- Providing more information with your entry will help the judges assessment and scoring.
- Product Name
- Is this a new product or an improvement to the existing one?
- Date the Product Was First Manufactured
- MSRP
- Brief description of entry
- What's New? Briefly list the new features added to this product in the past 12 months and explain why they are important (if there are no new features, skip this question)
- How does this product move our industry forward?
- Competitive
- Identify competing products and what differentiates your product.
- Video Links

Step 4: Product Images and Logo

Upload at least one print ready, high-resolution company logo and at least two photos, illustrations, or diagrams of your technology. You can also add additional images to help the judges better understand your technology. All documents must be JPG, PNG, or PDF file format. Files cannot exceed 200MB

Step 5: Press Releases

Upload press releases that are associated with this entry. Files cannot exceed 200MB

Step 6: Gallery Image

Entrants must upload an image they would like to see in the gallery if they win. Files cannot exceed 5MB

Step 7: Magazine Image

Entrants must upload an image they would like to see in the show daily. Files cannot exceed 200MB

Step 8: Entry Preparation

Entry Preparation and Instructions.
